VISION

“To be an institution of academic excellence, generate knowledge through research by integrating local wisdom with global expertise, nurture talent and promote intellectual growth in keeping with the University motto of “आ नो भद्राः क्रतवो यन्तु विश्वतः” (Let noble thoughts come to me from all directions) and serve humanity with a commitment towards social, economic, cultural and spiritual development of society and the nation.”

MISSION

- To provide the students with an academically congenial and safe environment conducive to their holistic development.
- To achieve and ensure intellectual excellence through effective teaching, latest research and relevant co-curricular activities.
- To equip the students with academic and professional skills, ethical values and leadership qualities to enable them to contribute towards social, regional and national development.
- To sensitize the University fraternity to the needs of the region through knowledge-transfer and outreach programmes.
- To strive towards the optimum use of available resources in making the campus sustainable, clean, green and eco-friendly.
- To promote the principles of social, cultural and religious co-existence among the students, faculty members, administrative officers and ministerial staff of the University.

ABOUT UNIVERSITY

Deen Dayal Upadhyaya Gorakhpur University, established in 1957 by the Uttar Pradesh State Universities Act, in its long eventful journey has constantly striven to live up to its motto, “आ नो भद्राः क्रतवो यन्तु विश्वतः” (Let noble thoughts come to me from all directions) by assimilating diverse ideas, people and beliefs into its academic life.

The geographical location of the University is 26.7480 degrees North (latitude), 83.3812 degrees East (longitude). The University, the first to be established in Uttar Pradesh after Independence and named after the great political thinker, Pandit Deen Dayal Upadhyaya is located in the holy city of Gorakhpur and inherits the spiritual and philosophical legacy of Buddha, Kabir and Guru Gorakshnath.

Spread over 191.21 acres, it houses 07 faculties comprising of 29 departments that have been playing a significant role in imparting holistic education to the people of the Eastern region since its inception.

As a residential-cum-affiliating State University it can boast of a rich academic legacy, illustrious alumni, experienced, qualified and dedicated faculty members, transparent, effective and responsive administrative set up, state-of-the art library, Wi-Fi campus, ample career growth opportunities for its students, advanced research facilities and a vibrant and safe campus. With its cherished goal of nourishing creative talent and scientific temper among its students and sensitizing them to larger socio-economic and political realities, the University aspires to contribute meaningfully to regional and national development.

MESSAGE FROM THE DESK OF THE VICE CHANCELLOR

It's through unstinting efforts and the grand vision of the founders and predecessors that Deen Dayal Upadhyaya Gorakhpur University, Gorakhpur has attained the hallowed heights in the academic arena and created a place of eminence as a premier Academic Institution of Uttar Pradesh. Right from its inception, in 1956 as the first University under the state legislature of Uttar Pradesh post-Independence, it has attracted from far off corners of the land who created their own space at the global level.

The Faculty of Agriculture at Deen Dayal Upadhyaya Gorakhpur University is committed to teach the basics and advances of agricultural research, and take the technologies to the farming communities. Our priority and focus are to produce Agri-Scientists, Agripreneurs, Agribusiness Managers and Social Entrepreneurs who could strive for increasing farmer's profitability and environmental sustainability.

The faculty continuously encourage the academic staff to learn and teach the latest developments while relating them with past experience and future outcomes to derive societal prosperity. We strongly believe in the co-existence of students with faculty, farmers and industry to sharpen the brains and to instil confidence to visualize a glorious future.

I Welcome You to the World of Agriculture Learning

Prof. Rajesh Singh

MESSAGE FROM THE DESK OF THE COORDINATOR

Welcome to the Faculty of Agriculture at Deen Dayal Upadhyaya Gorakhpur University, Gorakhpur. I extend this welcome with assurance that we are committed to providing you quality education and valuable practical experience in a collegial environment. Your education will not only focus on knowledge acquisition but also on developing your professional competence through a rigorous and contemporary programme that would enhance your research competencies, critical thinking, problem solving and ability to work in teams.

We not only offer undergraduate program that build comprehensive foundational skills but also post graduate program in various disciplines of agricultural sciences. Our experienced and dedicated academic staff makes the institute as a study destination for agricultural sciences. We provide a conducive teaching-learning environment with state-of-the-art infrastructure and facilities.

We welcome you to join us in upholding and preserving the values we cherish as an excellent academic institution that fosters respectful, supportive and a welcoming environment. Through providing an academic environment that eschews innovation and best practices, we prepare our students to succeed in a highly competitive global environment.

Prof. Ajay Singh

ABOUT FACULTY OF AGRICULTURE

Faculty of Agriculture established in **Deeksha Bhawan** at Deen Dayal Upadhyaya Gorakhpur University, Gorakhpur covers educational and scientific/research activities with an aim to promote science-based agricultural education and research. The aim of the Faculty is to impart higher education in agriculture and allied sciences for creating and developing human resources in the fields necessary for overall agricultural development of the country, in general, and state of Uttar Pradesh in particular. The main strength of the faculty is its young, enthusiastic and well qualified faculty actively involved in teaching and research.

The main advantage for establishing Faculty of Agriculture is availability of rich departments like **Department of Zoology** (Established in 1958, the Department maintains a high level of teaching and research in area of Entomology, Fisheries, Sericulture, Applied Entomology, Integrated Pest Management, Toxicology, Physiology, etc. The department has sanctioned strength of 18 teachers), **Department of Botany** (Established in 1958, the Department maintains a high level of teaching and research in area of Plant Pathology, Environmental Pollution, Forest Ecology, Molecular plant Taxonomy, Tree Physiology, Nutraceuticals, Phycology, Plant Virology, Herbal Pesticides, Plant Physiology, Phytoplasma, etc. The department has sanctioned strength of 19 teachers.), **Department of Chemistry** (Established in 1956, the Department maintains a high level of teaching and research in area of Inorganic Chemistry, Organic Chemistry, Physical Chemistry, Soil Chemistry, Spectroscopy, Enzyme Catalysis, Liquid Crystal Synthesis, etc. The department has sanctioned strength of 32 teachers.), **Department of Biotechnology** (Established in 2000, the Department offers a unique blend of high-quality teaching and rigorous student training. At present the following instrumental facilities are available like Gel Doc XR system PC version, UV-VIS-NIR Spectrophotometer, PCR system, Incubator shaker, Autoclave, etc. The department has sanctioned strength of 7 teachers), **Department of Microbiology** and **Department of Home Science** (Established in 1983, the Department broadly cover areas of Food and Nutrition, Clothing and Textiles, Resource Management, Human Development and Family Studies and Extension Education. The department has sanctioned strength of 7 teachers.).

The academic programmes of the faculty are: **Undergraduate degree in B.Sc. (Ag)** and **Postgraduate degree in Horticulture, Agronomy, Genetics & Plant Breeding, Agricultural Extension, Agricultural Entomology & Zoology and Agricultural Economics**. The programmes are comprehensive and provide students the knowledge to solve agricultural problems and also enables them to efficiently identify and design sustainable solutions to address local agriculture related issues and global opportunities. All the programmes of the faculty will run under self-financing mode. The curriculum and syllabi of all programmes are updated and implemented as per the ICAR-Vth Dean's Committee and passed by the competent bodies of the Deen Dayal Upadhyaya Gorakhpur University, Gorakhpur.

CO-CURRICULAR EVENTS

INDUCTION PROGRAMME

EDUCATIONAL TRIPS

FARMER'S DAY CELEBRATION

CAMPUS LIFE

The abundance of greenery in and around the campus is the most striking feature of the University's landscape. The University makes great efforts to maintain and preserve its greenery and therefore, encourages and promotes green practices within the campus. The University has a parking space for two-wheeler vehicles of students near the entrance gate of the University that necessitates most students to go walking to their respective departments. Moreover, the location of the different faculties within easy walking distance from the main entrance gate does not cause much inconvenience to the students. As the entry of vehicles is restricted in the premises, the entire campus becomes pedestrian friendly. The University is committed in its goal of making the campus a Plastic-free Zone.

HOSTEL

The University provides hostel facility for boys and girls. The hostel are equipped with facilities like internet, common rooms, separate TV and visitor's room, playground, etc.

SPORTS FACILITIES

The university promotes multi-dimensional growth with emphasis on an integrated physical and intellectual learning and training. The Athletic Association and Sports Complex at Deen Dayal Upadhyaya Gorakhpur University is devoted to the practice and training of indoor sports for example Judo, Yoga, Taekwondo and Table Tennis. The academic activities of physical education is also included in the sports complex. Practice of Basketball, Judo, Athletics and football are regularly conducted with more than 100 participants. The University has produced a few players of international repute in Judo, Athletics and Taekwondo who have represented India in reputed International competitions and brought laurels for the University and the Nation.

INFORMATION BROCHURE

2022-23

HEALTH CENTRE

The aim and objective of the Centre is to provide the proper medical facilities to the students of the university. The Centre is equipped with a team of time and visiting Medical Professionals. The Centre facility has a waiting room with chairs, public utilities like ambulance, wheel chairs, drinking water and toilets.

CENTRAL LIBRARY

The Central Library of Deen Dayal Upadhyaya, Gorakhpur University was instituted in the very first year of establishment of the university. This library building is set up in about four thousand square meters area where approximately four lakhs of text material is stored. It works for the services of more than fifteen thousand students of the University, teachers, employees and researchers coming here for their research work.

There is a main text book collection room CTBS (Central Text Book Section) in this building from where the text books are distributed to the students of UG and PG level. The Nehru Hall or the reading room is located on the ground floor, in which the students read newspapers, magazines and various general books. Apart from this, there is also a Stack section on the ground floor envisaged for teachers and research scholars.

There is a huge reference room on the first floor which is also known as Gandhi Hall. Excellent reference books like dictionaries, Encyclopaedias, Directories, Bibliographies, Year-Books, Almanacs, Gazetteers, guide-books, maps, atlases, Handbooks, manuals and statistical sources etc are placed here. There is also a research Journal Section on this floor. Internet-equipped computers for teachers and researchers and special Braille enabled computers have also been installed for visually impaired people in the library.

The Central Library provides different types of library services to its users which includes Reference, OPAC, Circulation, Reading, Photocopying, Membership, Internet facilities for on-line access of e-resources and Plagiarism Detection.

NATIONAL CADET CORPS (NCC)

The main objective of NCC is to communicate companionship, discipline, leadership, secularism, thrill and selfless service among the youth of the country and to provide appropriate environment to the youth to pursue a career in the armed forces. With the establishment of Deen Dayal Upadhyaya Gorakhpur University in 1957, the National Cadet Corps was established in the university to serve the above objectives. The cadets of the National Cadet Corps of the university have been successful in achieving their objectives right from the beginning and even today they are achieving specific achievements in many fields. 254 cadets of army of 44 UP battalions are attached and getting trained in the university. 100 women cadets of 15 battalions are also under training in the University. At present a total of 354 NCC Cadets are undergoing training at the University. NCC group of the University actively participates in socio-environmental activities and situations of natural disaster. Both men and women cadets regularly receive awards, medals and honours from the Governor of the state and President of India.

ROVERS & RANGERS

DDU Gorakhpur University, Gorakhpur conducts Roving and Ranging activities for its students studying in its campus and affiliated colleges. Through scouting activities, Rovers and Rangers are made aware of such skills which are useful for life. A skilled Rovers and Rangers are able to lead a joyful life using the least resources in odd circumstances and inspire others to do the same. These activities develop the ability for leadership, general guidance and self-control among the youth. At the same time, living in a group, working together, learning from each other and collaborating with each other becomes a natural quality of the Rovers and Rangers, which keeps them motivated to serve society and the nation.

PLACEMENT & TRAINING CELL

DDU Gorakhpur University takes up it as a challenge to develop essential skills and help our students have a job for livelihood. We take it as one of the primary objectives of the Higher Educational Institution to equip the students and achieve a respectful employment. Keeping in line with this, we continuously strive to: extend guidance for a planned and satisfactory job and career, sensitizing the students to changing job demands and the essential skills accordingly, motivating and educating students towards new job opportunities, guiding the students for selecting the job and career in a scientific manner by using socio-psychological techniques and models.

INTERNATIONAL CELL

International Cell welcomes the International students wishing to join different programmes of the University for higher studies. The Cell look after the matter related to admissions of International Students in terms of procedure, process, admission, and related administration. The Cell also advises students on the matters related to application, admission, fees, arrival services and orientation.. The International Cell is responsible to provide all necessary help to International students regarding: How to choose course of study, How to fill in the application form for admission, Course information, academic qualifications, Orientation, Visa formalities, Accommodation/Hostels, Fees and any other issues. The Cell coordinates with Ministry of External Affairs, different embassies and consulates for various purposes including the scholarships on behalf of the students. The Cell also conduct student exchange program and provide fellowship to international students.

INTERNATIONAL STUDENTS

In the age of globalization, the University has set out to make its presence felt globally through internationalization of its programmes and opening new avenues of association for international student community. The International Students registered in this University since its inception, belongs to Nepal, Thailand, Nigeria and various other countries. The University plans to provide fellowship to International students who joins its programme under Student exchange program.

INCUBATION & ENTREPRENEURSHIP CELL

The Incubation and Entrepreneurship Cell at DDU Gorakhpur University aims at manifesting the latent entrepreneurial spirit of the students. The Cell is keen to host various workshops, speaker session, seminar for aspiring entrepreneurs and support them by providing necessary resources such as funding, mentoring, consultancy and networking. The Cell targets to help in the development of India's entrepreneurial ecosystem.

NATIONAL SERVICE SCHEME

NSS at DDU Gorakhpur University is striving to achieve the objective of developing the personality and character of the student through voluntary community service. The university has 11 units out of which 7 units are for boys and 4 units are for girls. Various activities have been carried out under the scheme such as: Awareness program on Education, Health, Social issues, Plantation of tree, Voting awareness programme, various welfare drives in rural areas, etc. These activities help in development of a sense of social responsibilities in youth.

GENERAL INSTRUCTIONS AND ADMISSION PROCEDURE

1. The details and admission procedure of all the programmes is available on the University website www.ddugu.ac.in.
2. The eligible applicants can fill the online application form available on the website for appearing in the Entrance Test 2022-23.
3. Applicants who qualify the Entrance Test and fulfil minimum required eligibility criteria will be given provisional admission according to their ranks in the merit list which is prepared on the basis of marks obtained in the Entrance Test, Weightage marks and availability of the seats in conformity with the rules of reservation.
4. List of the provisionally qualified applicants will be made available on the university website. Thereafter, applicants will have to appear before the Faculty/Departmental Admission Committee with all their original documents. The concerned officials, then, will complete the admission process. Thereafter, applicants will have to confirm their admission by depositing their fee through Net Banking/Debit Card/Credit Card/Demand Draft etc. within the stipulated timeframe. They will have to get themselves registered in the concerned Departments within three days from the time of their fee submission. If they fail to submit their fee in time, their admission will be cancelled and those seats will be assigned to the applicants next in the merit list.
5. At the time of admission, the applicant himself/herself will have to produce **all the original documents (Mark Sheets, Caste Certificate, Weightage Certificate/Ex. Serviceman/Dependent Freedom Fighter/Kashmiri Migrant/Kargil Martyr, Handicapped Certificate, Transfer Certificate, Latest Character Certificate issued by the last institution where he/she has received education, EWS Certificate etc.)** together with one set of self-attested photocopies of these before the Admission Committee. Applicants who have passed their qualifying examination as a private student will have to submit their certificates by getting them attested by any teacher of the University or any Gazetted officer or any M.L.A. or M.P. Their selection will be automatically cancelled in case they do not produce required documents.
6. Applicants, who have passed qualifying examination prior to 2021, will have to produce an affidavit stating reasons for their gap at the time of admission. Admission Committee will allow such an applicant after thorough verification of the facts mentioned in the affidavit.
7. If any applicant fails to present himself/herself on the prescribed dates with all his/her original documents, he/she will not be given any further chance.

8. Applicants will have to bring their Entrance Test Admit Card at the time of admission; therefore, it is advised to keep the Admit Card safe.
9. It will be absolutely necessary for the selected applicants to get themselves registered in the concerned Department after depositing the required fee before the prescribed date otherwise their admission will stand cancelled. An applicant will be considered a regular student of the University from the time of his/her registration in the concerned Department after the payment of the required fee.
10. Category, sub-category or weightage certificates issued by the competent authorities will have to be produced in original at the time of admission. Alteration of any sort, at later stages, will not be permissible.
11. For the benefit of reservation, applicants will have to bring Caste and Income certificates issued within the time period of three years from the date of admission.
12. Once admitted and having appeared/failed/intercepted in the examination of a particular class in the University, a student shall not be readmitted. Having appeared/failed students can appear as Ex-student.
13. Admission in any of the class of the University will not be permitted on the basis of transfer from any College of the University or from any other University.
14. The University reserves the right to cancel or deny the admission of any applicant without citing the reasons. It also reserves the right to make circumstantial changes in the rules of the admission process in order to make it more convenient.
15. All the documents related to Entrance Test will be preserved for a period of six months from the date of Entrance Test.
16. Admission instructions are devised according to the University Act, Statutes and Ordinances.
17. If any contingent situation arises at the time of admission, it will be sorted out according to the decision of the Admission Committee.
