

DEEN DAYAL UPADHYAYA GORAKHPUR UNIVERSITY GORAKHPUR, UTTAR PRADESH, INDIA

INTERNATIONAL CELL

Please visit: www.ddugu.ac.in

INTERNATIONAL CELL

Mission

The international cell is constituted with the goal of the globalization of higher education at Deen Dayal Upadhyaya (DDU) Gorakhpur University and attracting national as well as global attention. The international cell shall be focusing on increasing the number of foreign students at DDU Gorakhpur University and also providing full support to the students from foreign countries in academic activities and settlement in changing environment. This will increase the brand image of the University, also attracting an increased number of grants and projects for the University. Creating high-end relations with top Universities in the world and obtaining a name for itself in education platforms.

Vision

- To provide international students with an academically congenial and safe environment conducive to their holistic development.
- To achieve and ensure intellectual excellence through effective teaching, the latest state-of-the-art research and relevant co-curricular activities.
- To equip international students with academic and professional skills, ethical values and leadership qualities to enable them to contribute towards society at global aspects.
- To strive towards the optimum use of available resources in making the campus sustainable, clean, green and eco-friendly.

Deen Dayal Upadhyaya Gorakhpur University (DDUGU), Gorakhpur is recognized as one of India's most revered quality intensive universities, committed to tackling the grand challenges of current times and with dedicated staff who are acclaimed leaders in their field. Our undergraduate and postgraduate degrees are world-class, driven by cutting-edge research and technology that encourages critical thinking, problem-solving, teamwork and communication. The University is focused on preparing students for their careers through employability development activities and internships, while our Engagement Priorities ensure close alignment with the needs of the industry. Studying at DDUGU offers a high-quality experience within a rich campus culture and outstanding facilities. Students are assisted in making a successful transition to university life through an international program that provides insight into local Indian culture. The academic environment of the University pursues excellence, values creativity, and gives graduates the opportunity to make a major contribution to the world.

A large number of national and international conferences, seminars and workshops are and will be organized by the university. Such events provide a variety of experiences to the students and inculcate skills such as leadership and team spirit which are helpful in their careers. Our faculty members have been able to publish good-quality research work in high-impact factor journals of repute. There is an active interaction between faculty and students on campus. The learning experiences on the campus pave a strong path for the enhancement of the overall development of the learners.

It is a matter of immense pleasure for me to be a part of the Deen Dayal Upadhyaya family as its Vice-Chancellor. I take this opportunity of welcoming students coming from all parts of the world, joining the university in undergraduate as well as postgraduate programs.

Prof. Rajesh Singh
Vice-Chancellor
D.D.U. Gorakhpur University

Message from The Vice Chancellor

THE UNIVERSITY

The Deen Dayal Upadhyaya Gorakhpur University, established in 1957 by the Uttar Pradesh State Universities Act, in its long eventful journey has constantly striven to live up to its motto, "आ नो भद्राः क्रतवो यन्तु विश्वतः" (Let noble thoughts come to me from all directions) by assimilating diverse ideas, people and beliefs into its academic life. The geographical location of the University is 26° 75' N and 83° 38' E is the first one to be established in Uttar Pradesh after Independence and was named after the great political thinker, Pandit Deen Dayal Upadhyaya is located in the holy city of Gorakhpur and inherits the spiritual and philosophical legacy of Buddha, Kabir and Guru Gorakshnath. Spread over 190.96 acres, it houses 13 faculties comprising 40 departments that have been playing a significant role in imparting holistic education to the people of the Eastern region since its inception. With its cherished goal of nourishing creative talent and scientific temper among its students and sensitizing them to larger socio-economic and political realities, the University aspires to contribute meaningfully to regional, national, and International Development.

Salient Features of the University

- Rich Academic Legacy
- Illustrious Alumni

CAMPUS AND ITS ADJOINING FACILITIES

Central Library

The Central Library of Deen Dayal Upadhyaya, Gorakhpur University was instituted in the very first year of the establishment of the university. This library building is set up in about four thousand square meters area where approximately four lakhs of a text material is stored. It works for the services of more than fifteen thousand students of the five faculties of the University, teachers, employees, and researchers coming here for their research work.

Student Housing

The University has four boys' and two girls' hostels with mess facilities available for students.

Guest House

Limited facilities are available for board and lodging on a payment basis, which is located near the entrance of the campus. Apart from the campus, there are lots of lodges and budget hotels in the city.

Museum

Science Museum

The Science Museum in the Department of Zoology, Pant Block, D.D.U. Gorakhpur University, Gorakhpur has a huge collection containing about 10000 specimens including skeletons of fish, amphibians, reptiles, aves, mammals. Moreover, stuffed bodies of various animals, preserved specimen collection of poisonous & non-poisonous snakes, marine as well as freshwater fishes, mollusks, corals, and other rare animals offering an insight into the biological diversity.

The Department of Ancient History, Archaeology and Culture houses Arts Museum (Acharya Vishwambar Saran Pathak Museum) of the University contains a rich collection of lower Palaeolithic, middle Palaeolithic and upper Palaeolithic tools, Mesolithic and Neolithic tools, rare gold, silver and bronze coins of the earliest period, the Gupta and Kushan periods and many objects of archaeological importance acquired through excavations in nearby places.

Botanical garden

Our University has Ex-situ conservation of plants in the form of a botanical garden called the Educational Research Botanical Garden (ERBG). It is spread in a 4.5-hectare land area. It has a pond containing aquatic flora, one greenhouse, and one glass house. A Navgrah Vatika and medicinal plant garden is also maintained in it. It has bambusetum, having different varieties of bamboo. It boasts of rare and endangered plants maintained in it

Arts Gallery (Amritha kala Vithika)

The first art gallery was established in 1994 in the Purvanchal region, which is named after '16 Amrita Kalas' of Purnima (full moon). Coincidentally, a world-class artist Amrita Shergill belongs to this place. Amrita Kala Vithika situated on the campus of Deendayal Upadhyaya Gorakhpur University, Gorakhpur is identified as one of the state-level art galleries. In this art gallery, various performances including music and dance performances, solo and group exhibitions of local, national and international artists have been organized. Annual regional art exhibitions are conducted in Amrita

Sports Complex

It is devoted to the practice and training of indoor sports for example Judo, Yoga, Taekwondo, and Table Tennis. The academic activities of physical education and also included in the sports complex. This is an extension building for the Athletic Association of the University. Practice of Basketball, Judo, Athletics and football are regularly conducted with more than 100 participants. The University has produced a few players of international repute in Judo, Athletics and Taekwondo who have represented India in reputed International competitions and brought laurels for the University and the Nation.

Health Centre

In 1966, the foundation stone of the present Health Centre building was laid. This building expanded with the sincere efforts of Dr. G.S. Shukla. Dr. Janaki Prasad was the founding physician. The aim and objective of this center is to provide the proper medical facilities to the students and staff members of the University. Health center functions under Dean Student Welfare (DSW)

Eligibility Criteria for Admission of SAARC and International Students in Courses for Academic Session 2022-233

Applicant must have passed the qualifying examination from any system of education as recognized by the Association of Indian Universities (www.aiuweb.org) and eligibility criteria laid down by regulating authorities such as AICTE, BCI, PCI, UGC etc .

English Language Requirement:

- All International Applicants are required to satisfy one of the following English language requirements irrespective of the program in which they are seeking admissions i.e. if an applicant is seeking admission in a program where English is not prescribed as a compulsory course in the Eligibility condition; even then he/she has to satisfy one of the following English Language Requirement: -
- Applicant must have passed English course in 10th or higher examination.

OR

- Applicant has done his/her education (eligibility qualification or higher) in some university/school where English has been the instruction of language. In such cases, the applicant has to provide proof of the same from the University/School or have to provide a document that is available on the official website of the University/school.

OR

IELTS BAND of 5.5

OR

TOEFL (ICBT) score of 70 or equivalent in any of the TOEFL formats.

OR

Certificate for Proficiency in English Language (minimum 3 months duration).

Note :

The language of instruction in the university is English and it is recommended that all international students applying for admission to the regular program should be proficient in the English Language (strong reading, writing, speaking, and understanding of the English Language). University will not be responsible for any problem faced by the student in class due to a lack of proficiency in the English Language. No relaxation in the exam or any other component of the evaluation of the university will be provided in such cases. In case the University apprises that the student is not proficient in English, the student might be asked to join the English Language Program concurrently with the regular program.
